30th ANNUAL GOLDEYE CONFERENCE

Join us again this year at the annual Goldeye Conference. The meeting at this rustic setting, which is also a co-operative, just west of Nordegg, originated as a forum for bringing Alberta housing co-op representatives together and has come to be considered one of the premier cooperative housing events in Canada. We are the envy of other provinces with people waiting in line to join us every year. Find out what SACHA, NACHA, and CHF Canada directors have been up to and get the latest updates from Rooftops Canada.

GOLDEYE CENTRE, NORDEGG, AB

The Goldeye Centre is a secluded education and retreat facility located inside the first range of the Rocky Mountains in the towering pines at Goldeye Lake which is about 180 km west of Red Deer on the David Thompson Highway #11. DEFINING YOUR SOCIAL PURPOSE AND THEORY OF CHANGE - BRAD CLUTE, MEC

Brad will help take your co-op's vision beyond the sterile business goals and help you see what purpose you serve in the community. "We know what we want, but we don't know how to get there." Identify your co-ops long-term goals and long-terms outcomes. Think about what you want, devise a plan and implement the change.

FOSTERING MEMBER ENGAGEMENT: BRIDGING THE GENERATION GAP – TBA, CHF CANADA

We know that succession planning and engaging young people are integral to the future of our co-ops and the wider movement. We also know there are members with years of experience and knowledge to share. But, how do we bridge that generational gap? Often it just comes down to understanding each other and accepting one another's differences. Join us as we look at practical ways to close the generation gap and draw on everyone's strengths.

TEAMBUILDING ACTIVITY

There are many outdoor elements and activities that Goldeye's team of expert instructors will guide us and our teams through. These activities will challenge and encourage teamwork within our groups. Through these activities, you will develop your problem solving and leadership skills. You will reflect on the team dynamics and debrief with one another, seeking ways to improve and support each other. Collaboration and commitment to a positive outcome as we work together is a valuable deliverable that you can take back to your own co-operative.

SUNDAY PLENARY

9:30 AM to NOON

The first Goldeye conference was held in 1988 and came as a result of an effort between SACHA and NACHA to reach out to each other and establish a mutually beneficial and supportive relationship.

The Goldeye Conference is now one of the most successful and widely known gatherings of co-op housing members in Canada. The planning is still done by a joint committee, costs are shared, the agenda has been formalized and the gathering still provides the social element along with the plenary and workshop opportunities. This year we celebrate our 30th Goldeye Conference.

We would like to invite you to share your Goldeye stories and pictures as well as your co-op stories in this informal discussion period. Let us take some time to reflect on our past and look forward with anticipation.

2018 THEME – Back to the Future 80's

This year's Saturday night social theme is Totally Rad 80's Prom Gone Bad Murder Mystery. Get in on the fun and wear your costume if you like. This activity involves each attendee taking on a persona and taking an active role in determining who committed a murder. Each participant has specific objectives to complete, as they draw their own conclusions about the motives and identity of the murderer. All participants will be given the opportunity to mingle and will get to engage with the activity. The 80's Prom Murder Mystery is a great way to add excitement and entertainment to our weekend theme.
