REGISTRATION

If you are interested in attending the Education Event, please Contact your co-op's office or Board to review their policy on funding and the registration process. Most co-ops have an education budget that allows the co-op to pay for member training and education. Your co-op will submit the registrations to SACHA. Individual members can pay for their own registration, if their co-op does not have funds available. Payment will be requested via invoice after the event.

In an effort to limit paper usage and reduce our environmental impact, SACHA has moved towards the digitization of event registration forms. A link to the online registration form for this event will be included in the digital event flyer and will be posted on our website and Facebook pages on **Thursday Oct.14, 2021**. If you do not have online access to use this link, please contact SACHA's office via phone or email to register.

CANCELLATIONS & REFUNDS

Workshop fees are not refundable unless the workshop is cancelled by SACHA due to insufficient registrations. If a person cannot attend, their co-op should find someone else to attend in their place. If you have any questions about this event, please contact SACHA's office via phone or email.
